

Glass cutter

Item No.	Size (inch)	Head material	Head diameter	Head diameter	Length (MM)	Head diameter
----------	-------------	---------------	---------------	---------------	-------------	---------------

Glass Cutter With Wooden Handle
Material - Handle - Primary: Wood
Material - Primary Construction : Diamond

Item No.	Size (inch)	Head material	Head diameter	Head diameter	Length (MM)	Head diameter
----------	-------------	---------------	---------------	---------------	-------------	---------------

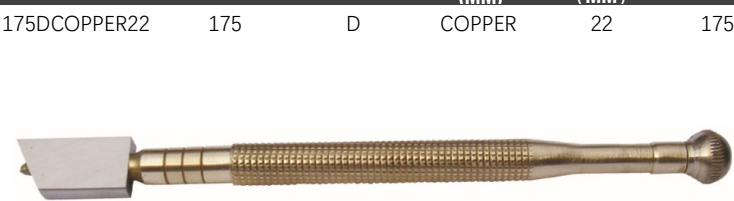

Glass Cutter With Wooden Handle
Material - Handle - Primary: Wood
Material - Primary Construction : Diamond

Item No.	Size (inch)	Head material	Head diameter (MM)	Head diameter (MM)	Length (MM)	Head diameter (MM)
----------	-------------	---------------	--------------------	--------------------	-------------	--------------------

Lubricated Alloy Steel Glass Cutter
Material - Handle - Primary:Iron
Material - Primary Construction : YD05

Item No.	Size (inch)	Head material	Head diameter (MM)	Head diameter (MM)	Length (MM)	Head diameter (MM)
----------	-------------	---------------	--------------------	--------------------	-------------	--------------------

Lubricated Alloy Steel Glass Cutter
Material - Handle - Primary: copper
Material - Primary Construction : Diamond

Item No.	Size (inch)	Head material	Head diameter (MM)	Head diameter (MM)	Length (MM)	Head diameter (MM)
----------	-------------	---------------	--------------------	--------------------	-------------	--------------------

6 Cutting Wheels Round Handle Glass cutter
Material - Handle - Primary: Wood
Material - Primary Construction : YG6X

Glass cutter

Item No.	Size (inch)	Head material	Head diameter (MM)	Head diameter (MM)	Length (MM)	Head diameter (MM)
----------	-------------	---------------	--------------------	--------------------	-------------	--------------------

130YG6XABS25130YG6XABS251304.6

6 Cutting Wheels Plastic Handle Glass cutt
Material - Handle - Primary: ABS
Material - Primary Construction : YG6X

Item No.	Size (inch)	Head material	Head diameter (MM)	Head diameter (MM)	Length (MM)	Head diameter (MM)
----------	-------------	---------------	--------------------	--------------------	-------------	--------------------

135YG6XABS25135YG6XWOOD251354.6

6 Cutting Wheels Flat Handle Glass cutter
Material - Handle - Primary: Wood
Material - Primary Construction : YG6X

Item No.	Size (inch)	Head material	Head diameter (MM)	Length (MM)	Head diameter (MM)	Head diameter (MM)
----------	-------------	---------------	--------------------	-------------	--------------------	--------------------

130YDOSZA130YD05ZA1306

American Glass cutter
Material - Handle - Primary: Zinc alloy
Material - Primary Construction : YD05

Item No.	Size (inch)	Head material	Head diameter (MM)	Head diameter (MM)	Length (MM)	Head diameter (MM)
----------	-------------	---------------	--------------------	--------------------	-------------	--------------------

130YDOSZA130YD05ZA6130

American Glass cutter
Material - Handle - Primary: Zinc alloy
Material - Primary Construction : YD05

Glass cutter

Item No.	Size (inch)	Head material	Head diameter (MM)	Head diameter (MM)	Length (MM)	Head diameter (MM)
----------	-------------	---------------	--------------------	--------------------	-------------	--------------------

130YD05WOOD130YD05WOOD6130

South African-style Roller Glass Cutter
Material - Handle - Primary: Wood
Material - Primary Construction : YD05

Item No.	Size (inch)	Head material	Head diameter	Head diameter	Length (MM)	Head diameter
----------	-------------	---------------	---------------	---------------	-------------	---------------

175YD05ABS175YD05ABS1753.8

Lubricated Glass Cutter With Plastic Handl
Material - Handle - Primary: ABS
Material - Primary Construction : YD05

Item No.	Size (inch)	Head material	Head diameter	Head diameter	Length (MM)	Head diameter
----------	-------------	---------------	---------------	---------------	-------------	---------------

160YD05ABS160YD05ABS1603.8

Lubricated Glass Cutter With Plastic Handl
Material - Handle - Primary: ABS
Material - Primary Construction : YD05

Item No.	Size (inch)	Head material	Head diameter	Head diameter	Length (MM)	Head diameter
----------	-------------	---------------	---------------	---------------	-------------	---------------

190YD05ABS190YD05ABS1903.8

Lubricated Glass Cutter With Plastic Handl
Material - Handle - Primary: ABS
Material - Primary Construction : YD05

HEX KEY

Item No.	Size (inch)	Head material	Head diameter	Head diameter	Length (MM)	Head diameter
----------	-------------	---------------	---------------	---------------	-------------	---------------

120YG6XIRON120YG6XIRON8120

Glass Cutter
Material - Handle - Primary:Iron
Material - Primary Construction : YG6X

Item No.	Size (inch)	Head material	Head diameter	Head diameter	Length (MM)	Head diameter
----------	-------------	---------------	---------------	---------------	-------------	---------------

120YG6XIRON120YG6XIRON10120

Glass Cutter
Material - Handle - Primary:Iron
Material - Primary Construction : YG6X

Item No.	Size (inch)	Head material	Head diameter	Head diameter	Length (MM)	Head diameter
----------	-------------	---------------	---------------	---------------	-------------	---------------

65-300YG6XIRON65-300YG6XIRON4.2230

CIRCULAR GLASS CUTTER
Material - Handle - Primary:Iron
Material - Primary Construction : YG6X
