AHCT9025	90.00		25	31.75
AHCT9525	95.00	3-3/4"	25	31.75

***BODY MATERIAL 42CrMo,**
***Blade material Solid Carbide .**
***Multiple cutting capacity with unique types geometry and random-space tips provide cutting, smooth hole surface and long tool WELDON handle,Apply to Nitto,Alfra,BDS, Ruko etc.**
***can be used on magnetic drilling presses, machine and electric drill in rotary mode and kinds of radial drilling machines, milling lathes, etc.**

***BODY MATERIAL** 42CrMo,
***Blade material** Solid Carbide .
***Multiple cutting capacity** with unique types geometry and random-space tips provide cutting, smooth hole surface and long tool
WELDON handle,Apply to Nitto,Alfra,BDS, Ruko etc.
***can be used on** magnetic drilling presses, machine and electric drill in rotary mode and kinds of radial drilling machines, milling lathes, etc.
