AMWS0816	40,42,44	Follow on	25mm	19.05	102.23
AMWS0816	46,48,50	Follow on	25mm	19.05	102.23

*The new Weldon Shank Step Drill offers a number of advantages over conventional drilling and cutting methods and can be used for many different industrial applications.

*These step drills are suitable for use in magnetic drills with a 3/4" Weldon Shank.

*Starter = step drill with drill tip

Follow On = step drill without drill tip.

*Available in M2 and M35 material.
